THE DUST "FLU" IN

Group of councillors are to inspect McArthur's Road following complaints of dust from the road by Australian Packaging Industries.

In a letter to council the company drew attention to the dust menace which presents a problem to the factory in regards to machine tools &c., by the condition of McArthur's Road to which the property fronts.

Also products of the factory are damaged when transported along the road and the company requests the council to smooth the surface of the road and that action be taken to eliminate the dust problem.

In suggesting an inspection of the area, Cr. J. J. Ginifer made several observations. If the factory is properly constructed, how does the dust get in? If the dust gets in so easily, so must the cold winter winds. Have the employees been inoculated against ASIAN FLU? How do the employees put up with it?

"On second thoughts," Cr. Ginifer asked, "how do we know the dust is from the road? This road is used by the Footscray Quarry Trucks and with the wind blowing in the right direction, the dust could be blown off the trucks into the factory." He suggested they inspect the road on a windy day.

Expressing his concern at the complaints from factories in this area Cr. W. G. Cresser said the inspection should be as soon as possible and councillors agreed to this.

FRENCH PRIZE

Recently Ray Jensen, of 226 Queen Street, Altona, was a successful entrant in a competition ran by the "Courier Australien"—a French paper for Australian children.

It was a vocabulary competition in which the entrants had to name in French as many objects as possible in a picture. Ray listed 77 French names and won second prize in Victoria.

Ray, who is a student of Altona High School, was presented with his prize, a book on French, by the headmaster Mr. W. J. Storey, at the school assembly last Monday.

COMMONWEALTH YOUTH SUNDAY

Arrangements have been finalised for a parade of all Youth Organisations on the afternoon of Sunday, May 1.

There will be a march of youth led by the Williamstown City Band commencing at 1.40 p.m. from Grant Reserve, down Pier Street to an open-air service of dedication and worship in the park at Logan Reserve. The service will be conducted by the Ministers of Altona during which the address will be given by Mr. W. J. Storey, headteacher of Altona High School, whilst the Recital of the Queen's Vows, the Address of Loyalty to the Queen and the Queen's reply will be read by three members of the youth groups.

The Shire President, Cr. A. W. Bond, J.P., appeals to all youth organisations to participate in the march and join in the service.

Cr. J. J. Ginifer.

HISTORICAL SOCIETY

At last, the Altona Historical Society has been formed.

Last Wednesday the constitution of the society was drawn up, accepted and office-bearers elected for the ensuing year.

Included among its most important aims are—To encourage the study of Australian history, especially relating to Altona, and to pursue or assist in the preservation of historical landmarks in Altona.

Office-bearers are—

President: Cr. A. W. Bond, Shire President; Vice-Presidents: Dr. J. Leyden and Mr. B. Prisma; Secretary: Cr. V. Hearn; Assistant-Secretary: Mrs. M. Allen; Treas.: Mr. G. Stirling; Librarian: Mrs. M. Hearn; Committee Members: Miss G. Luly, Miss D. J. Henderson, Messrs. H. Weaver, A. Stuber, W. Spence and Mrs. D. Shields.

Although he was not present at this meeting it was unanimously decided to elect Cr. W. G. Cresser as a committee member. With a view to forming this society Cr. Cresser convened the first meeting in 1961 and has been very anxious to see the society under way.

It was decided that the annual subscription would be 10/- per member with concessions for juniors under 18 years, and students.

FLY THE FLAG ON ANZAC DAY

On April 25, the flag should be flown at half mast until noon and then raised to the mast head until sundown.

The Shire President, Cr. A. W. Bond, J.P., appeals to all folk who are in charge of flag poles to ensure that the flag is flown on this commemorative day.

Incidentally, last Sunday, April 21, during which an Anzac Observance was held in Altona was also the Queen's birthday. The president said he was disappointed to see so many empty flag poles when there were two reasons for the flag being flown that day. The next day to fly the flag will be May 24, now known as Commonwealth Day, which used to be called Empire Day.

HOUSE NUMBERING IN ALTONA AREA

The campaign instituted by the Post Office in an effort to have all houses correctly and distinctly numbered is meeting with fair success within the shire.

Thirty-three per cent. of those people not having correct, or having indistinct numbers, have complied with the Post Office request and it is expected that the remainder will have complied within 14 days.

A total of 382 houses within the shire were not numbered or had indistinct numbers.

Householders are reminded that the correct and distinct numbering of houses enables a relieving postman to find his way much more quickly, thus avoiding delay in delivery of correspondence. Doctors, taxi drivers and tradespeople will also benefit to the good of the householders.

The co-operation of those people written to by the Post Office is, therefore, earnestly solicited.

MOTOR CAR MENACE

Irresponsible motor car drivers are becoming a menace to users of Grant Reserve. In this Reserve, except to accommodate onlookers to the games, cars are out of place.

Probably young, but certainly thoughtless drivers are using the ground along side the sports area as a car speedway. Juvenile ballkickers and others using the park for recognised purposes are endangered by this practice.

Even worse is the racing of motor cycles. Last weekend two young girls were knocked down. The bike driver may or may not have been playing "chicken," but one of the girls had to be treated at a hospital.

No complaints have been received by the Police at Altona. The necessity for Police action would be regrettable but the rights of innocent frequenters of the reserve must be preserved.

Grant Reserve is a fine sports ground and any repeated or blatant offences by cars or cycles should be reported.

ROBBERY AT SCHOOLS

Thieves broke into the Altona High School and the adjoining Altona West Primary School on Monday night.

In both cases sundry doors, windows and drawers were forced but otherwise no damage was done.

A small sum of money was stolen from the canteen of the Primary School.

From the High School seven electric irons, one electric sewing machine and a blanket were missing.

The Footscray C.I.B. is investigating.

£150 Boost for Football

At the Delegates meeting of the Werribee Football League on Friday last, a donation of £50 was made by Howard Parish Pty. Ltd, Estate Agents of Footscray, for the best and fairest player in the junior competition for the ensuing season.

This £50, together with the £100 award by Fisher Motors, of Werribee, for the best and fairest in the senior competition makes the local League almost as luring as many of the prominent competitions in the suburbs and it is hoped that players make the most of these opportunities and help to improve the standard of football.

Systems of voting for these awards were discussed at great length by the delegates present and it was decided that coaches would allot 3, 2 and 1 votes respectively to the three best and fairest players in the sides playing opposite to theirs.

This method of voting proved quite successful when conducted on the V.F.L. games by the Truth last year.

"STAR" AWARD FOR TOP GOALKICKERS

The "Altona Star," in its efforts to help district football, has donated trophies to both junior and senior competitions for the highest individual goalkicker in both competitions for Season 1963.

Safety Record Benefits Charity

Union Carbide's "A Shift" celebrated its 365 days without a lost time accident with a donation of £25 to the Jack Davey Seeing Eye Dog Appeal.

"A Shift" is the second shift to achieve a full year's accident free award since the plant start-up in October, 1961.

Mr. Duxbury, honorary secretary of the Seeing Eye Dog Appeal Organisation, received the cheque from Mr. Henry Brooks representing "A Shift."

Mr. Duxbury, in thanking the shift and congratulating them on their achievement, said how appropriate it was as the mission of the Seeing Eye Dog was Safety. A properly trained Guide Dog taught a blind person safety, mobility and independence. The donation would stimulate the work of the organisation and was indicative of the awareness of the tremendous advantage a guide dog gave to the blind owner and could in fact revolutionise their lives, giving them confidence and the ability to lead useful lives. Mr. Duxbury congratulated "A Shift" on their excellent record and thanked them on behalf of his committee and the blind people who would benefit by this gift.

Mr. Battalora, "A Shift" supervisor, then presented each member of the shift with a tie-pin bearing the safety badge and inscribed "For Safety at Work."

FAMOUS BAND IN ALTONA

The Melbourne Territorial Staff Band, one of only four headquarters bands in the Salvation Army today is a leader in the musical world.

The Melbourne Band reigns alone in the Southern Hemisphere. The others are in New York, Chicago and London. It is one of the finest in the world.

The band can be heard at 3 p.m. on Sunday in the Logan Reserve, Pier Street, Altona.

ACCIDENT TO GARBAGE TRUCK

The driver and passenger in a garbage truck had a lucky escape on Monday when their truck crashed through the railing of the bridge in Millers Road, Altona. The truck landed on the bank of Kororoit Creek, eight feet below the bridge.

Both men, Mr. Len Lane and Mr. Maurice Tate, the driver, scrambled from the truck. Mr. Lane escaped injury, and although Mr. Tate suffered an injury to his leg he was able to report for work on Tuesday.

ALL SPORTS DAY SUCCESS

A highly successful and entertaining All Sports Day was held last Sunday at Loft Reserve, West Newport, by the West Newport Health and Recreation Centre. A very large crowd was in attendance from early in the morning until the completion of program.

Highlights of the day were the appearance of professional cyclist Dick Ploog and the demonstrations of the motor cycle club, local marching girls and the Newport Workshops Railway Band.

All credit for the day must go to the officials and ladies of the Health and Recreation Centre for the efficient way they ran the program.

TRACK RECORD BROKEN

One of the many high spots of the day was the appearance of cycling champion Dick Ploog in an attempt to break the lap record of the cycling track. After two warm-up laps he made the attempt and broke the record by two seconds.

The appearance of local

Marching girls and the Railway Band in a colourful display added to the spectacle. Teams from West Newport, Altona and Williamstown competed in a good exhibition of precision marching.

The motor cycle club gave a good display and performed their "wall of death" feat by riding a motor bike through a flaming wall.

Various demonstrations by the baseball, football, cricket, basketball and other clubs in the Health and Recreation Centre all helped to entertain the crowd.

EDITORIAL

ALTONA'S INSTITUTIONS

On Page Six is published the first of a series of articles dealing with Altona's institutions.

These will appear at frequent intervals, for we believe that objective studies such as these will be of public interest and also of benefit to the institution concerned.

We make no apologies for the choice of a subject for our first article nor for its lengthy treatment. Altona Primary School is an organization that has grown up with Altona and in a sense is Altona.

We have also seen fit to record the names of various people. We were glad to do so. They have given, or are giving, good service to the school. They deserve thanks.

At the same time we are not unmindful of the many unnamed who over the years have in their own way helped the school. Such aid may in some cases have been small but its aggregate has helped build the school to what it is today.

And that will, we think, be our pattern in future articles. We will seek to give credit where credit is due. Behind that, we wish to have inferred the interest and awe of the ordinary people, of each of whom it could be said, "She/he has done what she/he could."

Recently the Life Boys enjoyed an outing on "Puffing Billy," now they are keenly waiting for next Saturday to come, when they will join with boys from other Melbourne teams for a conducted tour of the Essendon aerodrome.

AROUND THE SCHOOLS

ALTONA WEST STATE SCHOOL

The Mothers' Club and School Committee of the Altona West State School are organizing a fete which will be held at the school on the afternoon of Saturday, June 1. Parents are asked to start growing cuttings in pots or tins for sale on the plant stall and to start sending to the school any unused toys, comics and books. Tins or packets of food, aprons, dolls clothes—in fact anything saleable will be greatly appreciated by the ladies who will be in charge of stalls.

Would any mother who wishes to do any sewing or knitting for this fete and who wants material or wool please contact Mrs. Morgan, 13 Wren Street, Altona, telephone 65-8463.

The School Committee wish to thank Union Carbide Australia Ltd. for a donation of £10 towards the school library and equipment fund and Mr. T. Keane for donating a 40' extension lead for the school film projector.

Would members please note that the Mothers' Club will hold its meeting on the second Thursday of each month instead of the first. The next meeting will therefore be on May 9.

The Mothers' Club intends making and hanging curtains in the teachers staff room while the School Committee has authorised the purchase of a set of goal and point posts.

As the school urgently needs vases for every room to hold the flowers the children bring, it would be appreciated if anyone who has a vase or vases they think they no longer need would donate it to the school so that the rooms can be made more attractive.

ALTONA PRIMARY SCHOOL

At the Altona Primary School on Friday, May 3, at 8 p.m. Mrs. Hazel Dunne, of Vogue Cosmetics will give a talk and demonstration on beauty care and the correct use of cosmetics.

Anyone interested is welcome to attend. Young teenagers who are just starting to use cosmetics are especially invited, as it will be of use to them.

Four buses have been hired to accommodate the 212 children going.

HIGH SCHOOL DRESS FOR VACATION

The Altona High School has decided on the dress to be worn by students who intend participating in the tour of Tasmania during the second term holidays.

BARBECUE-DANCE

"Terrific," was the reply to the question of How do you enjoy the barbecue dance?" held at Jack Rayner's property last Saturday night.

It is reported that the Scottish sing-song was thoroughly enjoyed by all, the reels danced by some of our Scottish business people being well worth seeing, and our local medicos are pretty good wasters.

The barbecue was organised to aid the funds of the Altona and District Hospital and was such a success that the Hospital committee plan to run two or three similar functions during the year.

The Committee wish to thank Mr. Jack Rayner for the use of his property, R. J. Gilbertson Pty. Ltd. for supplying the meat to barbecue, and the Apex Club for the help they supplied.

The financial results of the night have not been finalised and will be announced later.

It is hoped to hold the next function in the spring and the Committee would like to gain see the people who supported them on Saturday night together with others who wish to "join in the fun."

ENGAGEMENT

Last week George and Edna Russell celebrated their 27th wedding anniversary.

This weekend, for the first time, Jean Cheasley and Esme Martin are off to Mildura to find out why the bowlers who went last year are so eager to make the trip again this year. Those returning to the scene of last years haunts include Beth Neal, Dorrie Gadsden, Roma Shaw and Elaine Thomas.

ITEMS FROM THE W.F.L. DELEGATES MEETING

Many items were placed before the delegates at the meeting on Friday last, among them being an appeal lodged by an Altona Junior player against the club refusing him a clearance to Spotswood in the Footscray District Football League.

The player, Paul Chandler, will be advised in writing to approach the committee of the Altona Junior Football Club and discuss the problem at hand personally and if he does not get satisfaction he is to contact the League Secretary who will refer the matter to the League Executive.

A near record number of 61 permits were passed by the League, and details of these permits are as follows—Altona (12), Central Altona (9), I.N.F. (4), Laverton (7), Metro. Farm (5), Newport (5), Williamstown Rovers (7), Werribee (6), and Werribee South (6).

The notice of motion to play the senior preliminary final on Sunday, September 28, was carried unanimously and it is hoped to gauge whether League Football is the cause of lack of popularity in our local football.

When a motion to approach the Footscray District Football League for free interchange for players under 16 between the two Leagues, it was decided to allow the delegates to take the matter back to their respective clubs for decision.

Before closing the meeting, the president, Mr. Jas. Dorgan, extended to all clubs his sincere best wishes for a successful season.

The League will next meet on May 10, 1963.

OPENING ROUND

In the main game of the opening round of the Werribee Football League this Saturday, last year's grand finalists, I.N.F. and Werribee South will do battle at Chirnside Park.

WERRIEBE SOUTH will have to find replacements for half forward John Comben, who made his debut with Carlton last Saturday, and Barry Robinson, full forward last season, who is now playing with South Melbourne Reserves.

I.N.F. have lost Peter O'Toole, who played full back for Brighton-Caulfield last Saturday, and Denis Yorgey, who has been cleared to Corowa in the Ovens and Murray League.

Keen rivalry between these two clubs is still likely to be in existence on Saturday and a great clash is anticipated. Both sides are showing good form on the training track and whoever wins will know they have been playing 100 minutes of football.

Two former Williamstown players will pit their wits against each other when ALTONA meets METRO. FARM at Altona on Saturday.

After a disappointing season last year, Farm have Johnny Martin at the helm to improve them and by their eagerness at training it appears that he has them "fighting fit."

Reg Featherby has been bringing Altona slowly but surely to their peak for this game and with Reg's leadership Altona should not repeat their slump of late last season.

Last year LAVERTON were battling for the wooden spoon, but on form showed towards the end of the season they will improve, as they defeated Metro. Farm in the last game.

ROVERS, wooden spooners last year, have been getting good musters at training and should be fit for their game against Laverton on Saturday.

Laverton have been battling to get seniors down at training and because of this it looks as though Rovers may have a win to start the new season.

In the other game, NEWPORT appear to be too strong and experienced for the new club, CENTRAL ALTONA.

Centrals have a young side and have been recruiting well but will have to be content to

experiment this year as it is better to look to the future than to expect too much out of a young side in their first year of senior football.

CLUB NOTES

ALTONA

Altona showed that they will be a lot fitter and bigger side than last season. This was clearly indicated by the manner in which players went in for the ball during the practice match last Saturday.

Two teams were selected from 50 players, combining senior and juniors.

Most players showed out, but the most noticeable ones were all the ruckmen, Derek York, Geoff Newman, Ted Phillips, John Peterson, and newcomer Bill Rowson. Although Bill has not had a run this season he marked splendidly all day.

Around the packs Barry Locke, Bob Combes, Barry Hogan, and "Bonga" Hobbs scouted very well all day.

In the centre Graeme Tyrrell had the better of Malcolm Tisdale in the first half but after half time Malcolm came back to finish with honours about even.

Mario Piovesan (centre half forward) and John Andress (centre half back) had a very interesting and tough battle with honours slightly in favour of Piovesan. This goes to show that the fitter man always comes out on top, as Andress "died" out of the game in the last quarter. At the opposite end of the ground "Darby" Munro completely outclassed Geoff Ewan in the air.

Ian Harris (full back) overshadowed Robert Stevenson on the ground, but Stevenson took the honours in the air. Carl Sorrel played a solid game all day, not allowing his forward much opportunity.

The back pocket players Denis Hardman and Tom Fleming, played consistently all day. It looks as if one of these players will be selected for that position.

METRO FARM

Coach John Martin has the Farm boys raring to go. The manner in which they tackled match practice last Sunday morning suggests they will hit top form right from the first bounce on Saturday and prove tough opposition for all sides this year.

The defence looks like causing many headaches for opposing forwards.

The return of solid defender Graeme Wigg and recruiting "finds" in John Murray (R.A.A.F.) and Tony Brotto (Werribee Juniors) will form the nucleus of a formidable springboard of attack.

In the pivot, John Martin is sure to create many opportunities for key forwards Mick Craig and Ventus Steinberg.

Last year's stars Dennis Cooney (best and fairest) and John Bryan (runner-up) are already in top gear. All the boys in the Farm camp think that this is their year.

I.N.F.

Last Saturday I.N.F. had a practice match against Little River and had an easy win, 6.12.48 to 2.3.15.

The return of centre half forward Sam Pante and the encouraging form of Peter McKinley at centre half back made officials confident of the outcome of the game against Werribee South on Saturday.

Former half back Stan Sandford showed good form in the ruck and Robert Downing, usually a wingman, played well to kick three goals as a rover, whilst Mick Miller proved a success in the back pocket.

Peter Wakefield has again been appointed captain, with Brian Smith as his deputy.

WERRIEBE SOUTH

Werribee South played two games against Newton and Chilliwell last Sunday the form of some of their players was good.

Of last year's players to play well were Tom Stoios, Robert and Denis Doveand, Brian Oldfield. Oldfield received a nasty gash in his knee when he fell heavily to the hard ground and must be doubtful for Saturday's game against I.N.F.

John McGregor and Kerry O'Brien were the most prominent of the recruits and South supporters should be happy with the form of these recruits.

Tom Stoios is again captain with Brian Oldfield vice-captain.

Others showing good form on the training track are Gary Clayton, Laurie Brinkman and newcomers Mike Phelan, John Tyquin and Ian McNaughton.

LAVERTON

Coach Len Allen would like to see more senior players at training in the next few weeks, as the juniors are outnumbering the seniors at the present.

On Sunday a practice match will be played against Kensington Socials and a good hit out is expected to improve the form of some of the players.

Laverton will elect their captain on the day of their first game.

WERRIEBE

Werribee Juniors met Geelong West Cricket and Football Club Under 18's at Soldier's Reserve, Werribee last Sunday.

The game was scrappy and congested in the first term due to the raggedness on both sides and it was not until well into the first quarter that Werribee gained their customary cohesion and slammed on five goals, due to the constant drive from Martini and O'Brien. Full forward M. Sheahan capitalised on these opportunities and kicked four of these goals.

The standard of play improved greatly in the second quarter as Werribee maintained their system and Geelong West, through the agency of White showed spasms of class. Werribee, although against a firm breeze, added five goals for the term whilst Geelong West kicked two.

After the interval there was a different story, Werribee became lethargic and added only one goal for the quarter. Geelong West came into their own in the air and had far more purpose on the ground.

With Cook at centre half forward, Tedesco on a back flank, and Martini again playing brilliantly in the last term, Werribee held Geelong West to two goals whilst they kicked two themselves.

FINAL SCORES.—Werribee 13.8.86, defeated Geelong West 5.10.40.

Goal Kickers: Werribee.—M. Sheahan 8, G. Sheahan 2, J. Smith, G. Martini, P. Cook, 1 each. Geelong West.—R. Thompson 2, Doolan, Waugh, White, 1 each.

BEST PLAYERS: Werribee.—Martini, D. Smith, M. Sheahan, B. O'Brien, T. Tedesco, and G. Sheahan. Geelong West.—White, Robinson, Hester, Thompson, Lovill, and Groom.

POUND YARD NEEDED

Wandering cattle are a hazard to life said Cr. Davis at the last Werribee Council meeting. He suggested some action be taken to provide a detention paddock for the stock.

The Shire President, Cr. J. N. Smith, said recently he saw wandering cattle but there was no place to put them.

Cr. Jones suggested that owners of wandering stock be prosecuted immediately.

But this idea brought a reply from Cr. Powell who commented "You don't have weekend shooters and mushroomers leaving your gates open."

Then Cr. Cowie moved that people be given a warning for the first offence. Cr. Earl seconded this motion.

Cr. Davis still pressed for a detention yard as a safe place to put wandering stock and suggested the Railways Detention Yards be used. Cr. Barber seconded this proposal. But other councillors feel it will not be easy to get permission to use the yards from the Railway Department.

Werribee Council Brevities

The Board of Works has informed the Werribee Shire Council that both the drain and the Board's sewer near Woods Street, Laverton, are now functioning satisfactorily.

Recently A. Weinberg Pty. Ltd. requested attention by the council to Doherty's Road. The Shire Engineer, Mr. A. McCormack, reported at the last council meeting that after the letter had been written by Weinberg's the edges of the road had received attention and he felt this was all that was required. No further action will be taken.

An application has been lodged to establish an offensive trade—poultry killing and dressing—at Lot 17 Pipe Road, Brooklyn.

The applicant, A. B. Oxford Pty. Ltd., is at present complying with the conditions to establish an offensive trade, but the council accepted the recommendation of the Health Inspector (Mr. R. K. Andrew), that the application be deferred for one month until these conditions are satisfied.

Construction of Fitzroy Street, Laverton, is now proceeding and all old channelling in this street will now be replaced. In conjunction with Fitzroy Street that section of Railway Avenue recently channelled will be stabilized to complete a full width roadway.

Sundry works including Maher Road footway and the traffic island near the Air Force entrance gate are being carried out by the Engineer's Department.

Cr. Baillie moved and Cr. Earl seconded a motion that the Shire Secretary (Mr. N. J. Minns), at the next council meeting supply councillors with details of loans taken out by the Werribee Shire over the last four years. They would also like details of the percentage of each loan allotted to each riding and a comparison between the allotment and the income from each riding.

During the month of March seven building permits were issued for the East Riding. They were made up of permits for two houses, one skin store and four garages.

BIRTH

Mr. and Mrs. J. Home, of Crown Street, Laverton, are very pleased with the addition of a new baby daughter to their family.

Until recently the Vicar of Werribee, Rev. Dargaville, had to bring his own vestments when conducting church services at Laverton.

The Vestry has also accepted a tender for drainage around the Laverton Church.

STREET STALL

The Ladies Auxiliary of the Laverton Scouts Association intend holding a street stall in Railway Avenue, Laverton, on Tuesday, May 7. The Auxiliary would welcome any donations and they hope all will patronise their stall and spend freely.

COUNCIL AGREES TO FREE-WAY

The Country Roads Board forwarded to Werribee Shire Council plans and comment relative to the proposed free-way through Laverton.

Councillors are in favor of the plan but wish to have Centre Avenue constructed now as this would open up the surrounding area.

But the Shire Engineer (Mr. A. McCormack) said at this juncture the Board is not concerned with Centre Avenue. At the present they are re-surveying the highway and want council's approval in principal.

Cr. Bellin moved that approval in principal be given and in seconding the proposal, Cr. Bailey added that Central Avenue be constructed as soon as convenient with the Board.

After council agreed to the motion Cr. Bellin asked was there any indication of when the works would be commenced.

Mr. McCormack replied that it rested with the State Government and they are reluctant to give a specified time.

CRAZY WHIST

Last week the Laverton Scouts Association held a very successful crazy whist night which they hope to be the first of a series.

Prize winners were Mrs. Haig and David Williams and the prizes were donated by Mrs. Jones of Aviation Hair-dressing Salon, and Mrs. Brown.

Mrs. I. Shepherd won the competition conducted during the evening, the prize for which was given by Cr. B. Comben, Peters Milk Bar, and Mr. I. Gardonyi, the fruiterer.

Mrs. Williams and Cr. B. Comben received the booby prizes.

EPSOM ROAD PRIMARY SCHOOL

Last weekend parents of children attending the Epsom Road Primary School held their first picnic.

Parents and children went to the Little River Sports ground where they thoroughly enjoyed the races and games in which they participated.

After lunch, before going home, they went on to Flinders Peak in the You Yangs.

EASTER CAMP

For the Easter holidays 50 members of the Braybrook Horse and Pony Club went into camp at the Hanging Rock Racing Reserve.

The riders, aged from 9 to 20 years, took along 32 ponies, which they rode to Mansfield on Saturday. On Sunday they visited Mt. Macedon and on Monday morning they enjoyed a cross country ride. A mock race meeting was held on Monday afternoon.

Mrs. Forsyth, district commissioner of the Pony Club, and Mr. Hill, games instructor, supervised the camp and rides.

Some of the riders were camped in tents and others were in caravans with their parents.

In addition to the riding, members were entertained at a film night, a dance night and a barbecue. When the camp wound up at 3 p.m., Easter Monday, the ponies were taken back to Melbourne by transport and the camp had been such a success that the Reserve was already booked for a return camp next Easter.

RODENT CONTROL AT WERRIBEE TIP

A rat extermination demonstration was held at the Werribee Municipal Tip on March 21 and it resulted in quite a good kill of rats by gassing and laying of baits.

The Werribee Shire Council has decided to enter into a yearly contract with the demonstrators, the initial treatment costing £15 and then £8 per month.

As Cr. Earl commented, this would put the vermin under the control of a competent authority.

Many improvements to the various Reserves were made during the year and plans are in hand for a number of developments on all Reserves as soon as additional finance becomes available.

ALTONA PRIMARY SCHOOL No. 3923 – The Oldest School in the Shire

THE MAIN BUILDING WAS ERECTED IN 1922, BUT THE SCHOOL HAD ITS BEGINNING EARLIER.

The first class was held in Mr. Fleming's Hall in Blyth Street (built as a Baptist Sunday School). The teacher was Miss Brennan, of Williamstown. A minimum of 12 scholars was required and to make this number there were one or two "ring ins," under age. Later, numbers made a transfer necessary. This was to the Progress Hall (now the Baptist Church).

Mr. Borrack became the first head master in 1921. The Progress Hall was used for all types of entertainments and the environment was not the best for educational pursuits. Increasing numbers made several expedients necessary. Two classrooms were formed by hanging a tarpaulin across the hall.

A class was held in a room with lattice sides. All right when fine, but in wet weather . . . ? Other classes were held in what later became known as Parham's Hall at the corner of Pier Street and The Esplanade.

In 1922 the move to the present site in Blyth Street was made. The school was officially opened by Sir Alexander Peacock on November 28, 1922. The enrolment was then 70.

Mr. Borrack retired in 1930. The number in the school had by then reached 300, at present it is around 640. At that time the building had already been enlarged from four to seven rooms. Since then it has been progressively increased to 16 classrooms, apart from pavilions and other amenities.

The schools development in other aspects has perhaps been even more dramatic. The first head master would be amazed, and we think delighted, at the progress made in other directions.

The increases for instance in mechanical and visual aids including radio, public address system, a tape recorder, television, film strips, movie films; a library such as he could not have visualized and modern teaching ideas, which really seek to give true meaning to the word education, are accepted as matters of course.

The school is graded as a Special. That is the highest class of Primary School in the State. Apart from the usual curriculum, attention is also given to certain techniques, some of an experimental nature and some of which have just about passed this stage.

The Cuisenaire method of teaching mathematics is being increasingly practised in various schools and demonstrations of its use are given by the Altona School to teachers from other areas.

Differential teaching which aims to cater for the above and below average scholars in the class is being experimented with—with, as yet, but limited success.

Sequential reading almost beyond the experimental stage seeks to encourage reading according to the capacity and tastes of the child. The school is one of 30 selected for the use of Experimental TV. Reports are made on the relative suitability of certain programmes before their general release.

The teaching staff of 18 is headed by Mr. G. H. L. Treyvaud (now in his seventh year with the school), Mr. N. A. Solomon, deputy head master, and Miss A. M. Ridsdale, infant mistress.

A successful school needs the interest and co-operation and help of the parents. This has been received in full measure. A school committee of 12 elected members (six retiring every second year) administers and disburses funds raised for school purposes. It places much reliance on a direct giving scheme which raises about £260 per annum.

President Mr. E. Bertram has given long service. Mr. N. Scott is secretary and Mr. G. Deegan treasurer. Mrs. L. Carruthers was secretary for many years.

The Mothers' Club has been ever consistent in its help. Some £200 per annum is contributed to the Committee funds. The president is Mrs. Cronin; secretary, Mrs. S. Danger, and treasurer Mrs. M. Walker. The long service of Mrs. Orchard has not been unnoticed.

The Education Department up to certain limits subsidizes all moneys expended, that is; £1 for £1 on library and equipment; £2 for £1 on furniture. In six years over £4000 has been spent by the Committee on library and equipment. Of this £2700 was raised by local efforts. The library in particular is greatly indebted to Altona industry for substantial aid.

The obvious need of fostering mutual interests between parents and teachers has led to the Parents and Teachers Association. In the infant section two afternoons a year are devoted to a form of open day where parents meet the teachers and see samples of work and teaching practice. In the senior school on three nights of the year parents meet the teachers in their classrooms and discuss their mutual interest, the child.

A most valuable behind the scenes work is that of the School Aides. Here help is given in various ways, such as, assisting in preparing teaching material for infant grades, typing, duplicating &c. One or two spend long hours in the library. Lawns are mowed and other odd jobs performed as required.

Mr. Treyvaud is most enthusiastic about the work of the Committee, Mothers' Club and School Aides. Much of what the school has achieved could not have been attempted without their interest and support. He is also grateful at the increasing attendances at Parents and Teachers Association meetings.

The standard of religious instruction in the school is such that every class has regular sessions.

The usual practice of house teams has been pursued under the names of Flinders, Bass, a Cook and Tasman. Sport plays a fitting place. Under the control of the Williamstown and Altona Sports Association, Primary Schools of that area, together with Laverton, compete annually. Shields are given for football, cricket, basketball, and softball. Swimmers attend the Williamstown Baths for training.

First things first has apparently been the policy of the past and present committees. The available funds have been devoted strictly to the well being and education of the scholars. More money, for instance, could have been spend on school surroundings. The present neat garden and lawn could be improved. More trees could be planted (though here vandalism has been a handicap). The grounds are ample. They are surfaced where necessary, partly gravelled and the remainder in a natural state. There is a cricket pitch and other sports facilities and playground equipment. Pavilions and conveniences are adequate for normal use. Seen from Blyth Street the school, fronted by gardens and lawns has a pleasing aspect. However, a backyard impression is gained by a view from the Railway Street side of the fencing and grounds.

The same can be seen at the Government level. The department has given preference to the building of necessary classrooms. Funds as yet available make the provision of certain desirable accessory buildings a dream of the future.

An art and handicraft room, a central library (the extent and detail of the existing library books and records make this almost essential) and a film projection room are needed.

There is no doubt that the Department, the past and present staffs of the school and the parents and friends have developed a school that has grown up with Altona and is in all respects worthy of the interest and support so many have given over the past years.

TABLE TENNIS NEWS

WORLD TABLE TENNIS CHAMPIONSHIPS FOR MELBOURNE

At the World Table Tennis Championships held in Prague Czechoslovakia, recently, it was announced that the 1955 world titles would be held in Yugoslavia, and the 1967 championships in Melbourne.

This will be the first time that such an honour comes to Australia, and naturally the visits by teams from over 100 countries will give a tremendous boost to the sport in this country.

The Victorian Centre at Albert Park, one of the world's largest, will be the focal point for the foreign invasion in 1967. However, metropolitan and country centres will naturally develop added interest also.

Much can happen in the intervening four years, and while present reigning champions may hold their form, it is more than likely that a new generation of players may hit the headlines by 1967. This presents a unique opportunity for young players in the 15-21 age group to develop their talent and ability to the full.

Junior talent in Victoria is now reaching its highest peak. One evidence of this is that David Wylie, top ranking junior of the Western Suburbs and member of last season's premier team (Altona) in A Grade, went down to a younger player, Leigh Pascoe, at Albert Park in the recent Easter Tournament. Pascoe went on to win the junior title, but stated that David gave him probably his toughest opposition.

ALTONA PETROCHEM. CHAMPIONSHIPS

Altona Petrochemical Social Club held its local championship recently at its excellent hall in Altona. The finalists were John Tink, Alan Dyall, Stan Cleghorn, and J. de Brodt. Tink won from Dyall in the final 21-8, 24-22.

WEST NEWPORT

West Newport completed their final tune-up for the 1963 Winter Baseball Season by convincingly defeating a team from the Newport Club 10-1 in a practice game last Saturday.

The excellent form of pitcher Tony Michael (who was easily best on the ground), and the co-operation of the infield should put them well to the front this season.

Tony also hit a home-run. The infield, Jimmy Michael catching, Kevin Michael at first base, George Miller playing second base, John Reale at third base, and Alan White playing short-stop, all played and combined well.

The outfield had little work to do, but played reasonably well.

The batting of the team showed that their effort in playing the Summer Season was not wasted. Several good hits and base running were mainly responsible for the 10 runs scored.

Kevin Michael relieved Tony Michael in the pitching towards the end of the game, and Alan White went to the catching position and both showed they could be a good combination when called upon.

MEETING

A general meeting and pie night will be held in the Loft Reserve Pavillion tonight (Wed. April 24), when the teams will be picked, and it is hoped a talk by a Victorian Baseball Association umpire will be given.

THIS WEEK'S MATCHES

The first round matches

be distributed this week, prior to commencement of the first round next week, on May 1, 2 and 3. Spare copies will be available at the Centre in Garden Street, Williamstown.

KOORINGAL GOLF

Saturday's Stableford results are as follows—

A Grade: A. Walker (8), 35 points.

B Grade: A. Chisholm (17), 42 points.

C Grade: K. Pattison (24), 39 points.

The play off for the A. Walker Summer Cup saw K. Pattison defeat C. Mathieson.

Sunday's Bogey Competition resulted in K. Griffiths (21), 1 up, winning from A. Tierney (22), square, and K. Kim (15), 1 down.

Associates' Bogey was won by Mrs. Emerson with 40 points.

Saturday was Opening Day for the Pennant Season. The seniors, after a thrilling battle, defeated the strong, Latrobe team 4-2. The juniors were less fortunate and were defeated by Victoria 4-1. Thanks to all the committee and members who gave these teams most loyal support.

Pennant teams for next week are unchanged. The seniors play Royal Park away, and the juniors are at home to Commonwealth. Roll up and give your local players the support they deserve.

ALTONA HOCKEY CLUB NEWS

A GRADE. Playing Greensborough in a hard and fast game, Altona were on top early with a goal from Roadley in the first 10 minutes.

But this was short lived, with Greensborough scoring two quick goals from a penalty corner, then a penalty flick to end the first half one up.

Early in the second half L. Smith scored for Altona to put them back in the game. But after some spirited and vigorous play Greensborough scored again to win the game 3-2.

Goals: F. Roadley and L. Smith.

Best: N. Hunter and A. Baillie.

B GRADE.—Altona paid a visit to Essendon where they outplayed their opponents in all positions on the field, and through solid play netted the ball to be one up at half time.

Early in the second half the Don's forwards penetrated Altona's defence and goaled to even the score at one all. Altona now had to apply the pressure and play the game hard to win.

With stiff opposition coming from the Essendon backs and missed shots for goal, Altona finally won 2-1.

Goals: K. Burgess and W. Davis.

Best: T. Woodcock, W. Davis and C. Turner.

C GRADE.—Drew with Ajax nil all. Altona played only 10 men and played a determined game.

Only for bad shooting for goal and inexperience on the forward line, Altona would have won.

Best: D. Hunter, E. Kipp, and C. Trickey.

JUNIORS

UNDER 13 were defeated 5-3 by Kew. The local boys played well considering that they had three replacements forced on them as late as Saturday morning.

Altona took the lead early in the first half and led 2-1

at half time. Kew wore a tired defence down and netted four goals straight. Ivan Neale, playing a good captain's game, took the ball through and netted Altona's third goal to bring them back into the game as the final whistle sounded.

Goals: Ivan Neale, David Spackman and Jeremy Hunter.

Best: Harold Benedierks, Ivan Neale, Ross Ford and David Spackman.

UNDER 13 turned in another good performance to go down 4-0 to Brunswick. The loss of three of their best players to the Under 15 side was too much to cover this time.

Best: John Golden, Hele Hansen, Brian Smith and Brian Antonoff.

THIS WEEK'S GAMES

Games for Saturday, April 27, are as follows—

A Grade.—Footscray at Altona at 3.30 p.m.

B Grade.—E.G.S.O.B. at Altona at 1.45 p.m.

C Grade.—E.G.S.O.B. at Essendon Grammar School, at 3.30 p.m.

Under 15.—Strathmore at Altona at 9.30 a.m.

Under 13.—Footscray at Altona at 10.30 a.m.

CENTRAL ALTONA FOOTBALL CLUB

Last Sunday the Centrals held their final practice match when the juniors played the seniors. This resulted in a very spirited match, and hard knocks were given and taken by both sides.

The coaches of the individual teams were quite pleased with the form shown by most of the players and they are eagerly looking forward to next weekend when the first of the home matches is played.

Patrons please note that the unfurling of the premiership pennant will be held before the junior match when a representative of the Werribee District League will be present, also members of the Altona Shire Council, including the shire president (Cr. A. W. Bond) who is a committeeman in the club.

Eddie Wallace turned out with the club in the practice match last Sunday. Eddie has made the supplementary list with Footscray, but will still continue to play with the Under 18 team on Sundays.

Other junior players to show excellent form were Colin Peatling, Ian Gathercole, Bob Johnstone and Cliff Lott. Best for the seniors were coach Brian Trévani, John and Keith Murrell, Bruce Jackson and Ed Jackson. The rest of the team played well at various stages of the game.

SOCIAL DANCE

All who are interested in the dances should make arrangements to be at the hall in Marion Street this Saturday night, April 27.

Ted Whitten was noticed amongst the crowd at the last dance. It is hoped to have him and his party there next Saturday night.

Anyone requiring membership tickets may phone the assistant secretary, Chas Baxter at 68-3957, and he will be pleased to assist you.

UNDER 14 COACH

Owing the number of Under 14 boys that have been attending the ground on the Tuesday and Thursday nights, it has been found necessary to have a coach. Mr. Ted Wallace has been appointed to this position. He will hold a "Football Clinic" for the boys every Wednesday night.

Ted has also arranged a match for the Under 14's to take place on May 29 at Werribee when they will play a curtain-raiser before the I.N.F. and Central Altona game at Chirnside Park.
